FRIENDS UNITED LLC

About US

(Teska and Samuel Frisby/Randy and Brenda McCain Jr.)

We travelled to Aruba in Dec 2021 as two couples, "best friends in Life" for over 24 years, vacationing together for the first time just looking to get a break from our busy professional and political lives back in Maryland and New Jersey. Sam and Teska celebrated their 24th Anniversary, and Randy and Brenda Celebrated their 31st Anniversary. Unbeknown to us, we would fall in love with Aruba's "One Happy Island Happy vibe." It was not our plan to invest in such a huge venture, but it was God's Plan. We are not only best friends, business partners and planning to pass a legacy to our families. We want to share our experiences and our beautiful three bedrooms 3 Bath condo at Harbor House Oranjestad Marina because we believe,

"Life is truly better with Friends."

It's only Crazy Until it happens "Crazy Faith

Balcony Weber Spirit II E210 Propane Gas Grill

Friends United are not responsible for any damages or accidents using the grill

⚠ DANGER

If you smell gas:

- 1) Shut off gas to the appliance.
- 2) Extinguish any open flames.
- 3) Open lid.
- 4) If odour continues, keep away from the appliance and immediately call your gas supplier or your fire service.

Leaking gas may cause a fire or explosion which can cause serious bodily injury, death, or damage to property.

⚠ WARNING

- 1) Do not store or use petrol or other flammable liquids or vapours in the vicinity of this or any other appliance.
- 2) A gas supply cylinder not connected for use shall not be stored in the vicinity of this or any other appliance.

⚠ WARNING: Carefully follow all leak-check procedures in this Owner's Guide prior to grill operation. Do this even if the grill was dealer-assembled.

⚠ WARNING: Do not ignite this appliance without first reading the **BURNER IGNITION** sections of this Owner's Guide.

OUTDOOR USE ONLY.

NOTICE TO INSTALLER: These instructions must be left with the owner, who should keep them for future use.

WARNING

WARNINGS

⚠ DANGER

Failure to follow the DANGERS, WARNINGS and CAUTIONS contained in this Owner's Guide may result in serious bodily injury or death, or may result in a fire or an explosion causing damage to property.

WARNINGS:

- ⚠ Improper assembly of grill may be dangerous. Please follow the assembly instructions carefully.
- ⚠ Do not use this grill unless all parts are in place. The grill must be properly assembled according to the assembly instructions.
- ⚠ Your Weber® gas grill should never be used by children. Accessible parts of the grill may be very hot. Keep young children, elderly and pets away while grill is in use.
- ⚠ Exercise caution when using your Weber® gas grill. It will be hot during cooking or cleaning, and should never be left unattended, or moved while in operation.
- ⚠ Do not use charcoal, briquettes or lava rock in your Weber® gas grill.
- ⚠ While igniting the grill or cooking, never lean over open grill.
- ⚠ Never place hands or fingers on the front edge of the cookbox when the grill is hot or the lid is open.
- ⚠ The entire cookbox gets hot when in use. Do not touch.
- ⚠ Under no circumstances should you attempt to disconnect the gas regulator or any gas fitting while your grill is in operation.
- ⚠ Use heat-resistant barbecue mitts or oven gloves when operating grill.
- ⚠ Follow regulator connection instructions for your type of gas grill.
- ⚠ Do not put a grill cover or anything flammable on or in the storage area under the grill while grill is in operation or is hot.
- ⚠ Liquid propane gas is not natural gas. The conversion or attempted use of natural gas in a liquid propane gas unit or liquid propane gas in a natural gas unit is dangerous and will void your warranty.
- ⚠ Keep electrical mains lead and the fuel supply hose away from heated surfaces.
- ⚠ Do not enlarge valve orifices or burner ports when cleaning the valves or burners.
- ⚠ The Weber® gas grill should be thoroughly cleaned on a regular basis.
- ⚠ A dented or rusty gas supply cylinder may be hazardous and should be checked by your gas supplier. Do not use a gas supply cylinder with a damaged valve.
- ⚠ Although your gas supply cylinder may appear to be empty, gas may still be present, and the cylinder should be transported and stored accordingly.
- ⚠ Should a grease fire occur, turn off all burners and leave lid closed until fire is out.
- ⚠ Should an uncontrolled flare-up occur, move food away from the flames until flaring subsides.

Balcony Weber Spirit II E210 Propane Gas Grill

Friends United are not responsible for any damages or accidents using the grill

To light a Weber® gas grill, first open the lid so unlit gas fumes don't collect in the cooking box.

Next, slowly open the valve on your propane tank (or natural gas line) all the way and wait a minute for the gas to travel through the gas line.

Depending on the model you own, you may need to turn the knob to High/Start and then click the ignition button to light each burner individually. Please reference your owner's
